Membership dues are based on the calendar year, and can be pro-rated for the number of months left in the year. However, companies joining on or after October 1st of a given year need to pay the dues for the balance of that year plus the following year's annual dues.

“CAPP members receive a variety of information, including information on events, as part of their membership and may also choose to participate in activities that involve receipt of additional information. Much of this information is communicated electronically to the membership as part of the relationship that is established by becoming a member. By choosing to join CAPP or to continue your membership you agree to receive the information in the electronic form that CAPP from time to time provides to members.”

I have reviewed the Company Information and 2019 Associate Membership Dues sections above, and my signature below confirms the appropriateness of the information and calculations.
